

# **SAINT PAUL'S CHURCH YOUTH**

## **USE OF PHOTOGRAPHY STATEMENT**

Any photographs taken during our normal activities may be used for promotional and display purposes. This could include internal displays, our website, advertising, posters, presentations and electronic presentations. Only appropriate pictures will be used and no personal information will be associated with them. We will normally only use group or distant shots. All pictures will be stored securely and will never be shared with any other person, group or organisation. If you have any issues or comments, or would like your child's image not to be used, please contact us in writing: St.Paul's Church, Churchside, Chichester West Sussex. PO19 6FT

## **USE AND STORAGE OF DATA STATEMENT**

We collect data about the young people we come into contact with to ensure their safety and security. This data will only be used by the youth team and will never be shared with any outside person or group. The data will be stored securely with restricted access, controlled by the youth worker. Occasionally we may use this data to contact your young person regarding a forthcoming event, or similar, but only in relation to their involvement in one of our groups. If you have any issues or comments, or would like to opt out of any contact, please contact us in writing: St.Paul's Church, Churchside, Chichester West Sussex. PO19 6FT
